

4th June 2020

Dear Parents, Carers and Year 10 Students

Thank you to those of you that were able to attend the live question and answer session yesterday where we made clear the safety, education and welfare protocols for the phased return of Year 10 students, from Monday the 15th of June until the summer, for a day a week. I appreciate that many of you may not have been able to make it for a variety of reasons and so you will find below a link to a full recording of the Q and A within which is the presentation used to support the session.

[Mr Ali's Year 10 Q & A session 3rd June 2020](#)

(You may want to forward a little from the beginning as I was waiting for the right time to start and people to be logged on)

Again, I want to reiterate how prepared, planned and excited we are to see our Year 10 students from the 15th of June. We hope they too are excited about returning to some semblance of normality (albeit socially distanced) and that you are getting them ready to return. In order to be fully prepared please can you complete this short survey. It will enable us to make our precautions even more precise and protective.

[Year 10 phased return to school parent survey](#)

As well as all of this you will be receiving a further detailed outline, including FAQs, of what you need to know as well as access to a range of documents in place to ensure a smooth and safe return. For now please take the time to discuss with your child and to get them excited about coming in seeing their year group, their teachers and learning in a more familiar environment.

Take care and stay safe

Yours sincerely

Mr A Ali  
Headteacher
